# 2100 LABRADOR AVENUE MOVE-IN READY 2,442 SQ. FT. FINISHED OFFICE

Milton delivers infrastructure and business services; transportation and logistics corridors. It has a historical five-year rolling average of 1.2 million sq. ft. of industrial, commercial, and institutional development.

Milton has become the fastest growing and most preferred area in the GTA West and has been a key area of focus due to strong leasing momentum, user demand, and lower development charges versus competitive areas.

The Milton market is driven by the substantial investment made by institutional Owners and Developers which have transformed the area into the dominant distribution and logistics market in the GTA. Various new uses have been following the trail of modern construction and residential growth and the demand for various types of product with various utility continues to be robust.

The Milton sub-market is recognized for being placed directly on the country's most significant transportation and logistics corridor, Highway 401. Highway 401 is the driver of Milton, and the lifeline of the distribution of goods from Milton to every major market in Canada and the USA. Milton has direct access to Highway 401, the existing CP Intermodal, and the planned CN Milton Logistics Hub, making Milton a compelling location for heavy freight, container, and logistics users. Milton is home to many major economic sectors including some of the largest international retailers, consumer products companies, and major manufacturers. The area benefits from its proximity to The Toronto Pearson and Hamilton Airports, two US border crossings, and the ability to service over 7,000,000 people within a 1-hour drive-time.

Milton is only 1 hour from the Canada-U.S. border, 30 minutes from Waterloo, 30 minutes from Toronto Pearson International Airport, and 40 minutes from Toronto's downtown core.

## A PLACE OF POSSIBILITIES

Strategic location provides users with access to Highway 401, 407, rail as well as public transit (bus and Go-Train) for labour accessibility. Many planned infrastructure improvements will further enhance the area.

#### NOTABLE MILTON STATS

- One of the top 10 fastest growing communities in Ontario.
- Milton sits at the center of the GTA West labour pool (Peel and Halton Region), totaling over 1.1 million workers.
- Average household income: \$126,186.
- Current population of 142,128 is projected to grow to 240,000 by 2031.
- 62% of Milton's labour force works in knowledge-based jobs, compared to only 55% of Ontario's labour force.
- Milton's knowledge-based job growth has consistently exceeded the provincial average since 2011.

## MILTON INFRASTRUCTURE IMPROVEMENTS

#### MAJOR ROAD IMPROVEMENTS

The Town of Milton is investing over \$29.6 million in roads and bridges in 2021, building a complete community. This investment in the community helps Milton put the right infrastructure in place to meet community needs and make Milton a Place of Possibility.

- Steeles Avenue Road Widening
- + Highway 401 Six (6) Lane Expansion
- + Main Street Future Road Widening/Extension
- + Fifth Line Future Road Widening
- + Derry Road Future Road Widening

Milton is at a key point in its evolution. With significant planned growth in the past decade, the municipality must deliver and maintain more infrastructure and hard services to the community. Town-led construction is essential municipal work to ensure Milton's infrastructure remains safe, in state of good repair and able to meet the community's needs now and in the future.

#### **CN MILTON LOGISTICS HUB PROJECT**

On January 21, 2021, the Minister of Environment and Climate Change, Jonathan Wilkinson established the legally binding conditions that approved CN's Milton Logistics Hub. The Federal approval on the \$250 million intermodal project subjects the proposed facility to 325 conditions designed to govern air quality, ground water and wildlife. Among many other stipulations, CN will need to limit the number of trucks entering the site to 800 per day.

This facility is a much-needed addition to the Canadian supply chain that will help meet the growing demand for goods in the Greater Toronto and Hamilton area. The new intermodal facility will be built on companyowned land at Tremaine and Britannia Road and be used mainly to transfer shipping containers between trucks and trains. Several pieces of support infrastructure are also included, such as a truck entrance and queueing area; a realignment and extension of the railway's mainline; and a stormwater management system.

## MILTON TRANSIT ON DEMAND

Derry Road Logistics Campus is in the Derry Green Service Area.

6-minute drive to Milton's bus route 21 - Steeles

5-minute drive to Milton's bus route 3 - Trudeau

#### **MILTON TRANSIT ONDEMAND**

Milton Transit OnDemand is a flexible, shared-ride service that provides transit without following a fixed route or schedule, booked via a mobile app. OnDemand transit connects passengers to/from available fixed route service at key transfer locations. Smaller-sized, fully accessible Milton Transit buses are used to deliver OnDemand services.

#### TRANSFER POINTS: MILTON GO STATION

- + Connects with all Milton Transit routes 2, 3, 4, 5, 6, 7, 8, 9, 21 as well as GO Transit
- + Passengers may book trips on-demand, same-day, or up to three days in advance
- + Hours of operation:
  Weekdays from 5:15 a.m. 10:11 p.m. Saturdays from 7:10 a.m. 7:40 p.m.

#### **ROUTE 21 STEELES**

Milton's 21 Steeles bus route runs between Milton GO Station and Lisgar GO Station, with stops at the Toronto Premium Outlets in Halton Hills, as well as the Amazon Fulfillment Centre YYZ3 on Winston Churchill Boulevard.

#### **ROUTE 3 TRUDEAU**

Milton Transit operates weekdays from 5:15 a.m. to 10:13 p.m. and on Saturdays from 7:10 a.m. to 7:40 p.m. All routes start and end at the Milton GO Station.
